Outreach Support for Kathryn and Paul's Nepal & India Trip:

Kathryn and Paul will embark on a 2-week mission trip to Nepal followed by 2 more weeks in India, starting the 3rd week in August. Their passion for spreading the Word of God wherever He takes them is obvious, contagious, and worthy of our prayerful encouragement. The vestry is appropriating \$3,000 to support their in-trip and local expenses. We invite individual parishioners to financially contribute as each may be called to do. In the Memo Line, please write "Word & Deed, Nepal". Please also pray for God's protection and provision over them as they obey His word in Mark 16:15 to "Go everywhere in the world, and tell the Good News to everyone."

Crusher's Game:

We are planning another baseball outing for August 23, 2024. There are clipboards out with sign up sheets attached. Please make sure to fill in each box if you are going to attend the game with us. Hope you all can join us for some great fellowship!!

New Church Feature:

We would like to inform you of the upcoming installation of Ring Video Doorbell Cameras to replace our existing doorbells. We have decided to install them for safety and delivery reasons. The Ring Video Doorbell has a built in camera that will allow us to see a live video feed of what is happening at the door at any given moment. The doorbell's sensors can also alert us when motion is detected at the door. This doorbell has a microphone to capture sound giving us the ability to have 2 way communication and speak to visitors through the doorbell without actually opening the door. With this being said, the doorbell will be active continuously and so on a Sunday when parishioners are entering and exiting the building please be advised that you will likely be on both video and audio recordings at that time.

If you are wondering about Ring, it has multiple products including doorbells, cameras, outside spotlights with cameras which are all for the purpose of protecting your property. The video feed from the products is in real time and can be recorded and saved with a subscription of \$10 per month or \$100 annually. The installation is quick and easy! This is a perfect way to monitor who is at your door (including deliveries) even if you are not at home and can give you the peace of mind of added protection.
