Questions from the Episcopal Church:

Annually Advent files a Parochial Report with statistics on stewardship, revenues, services, staffing, attendance, and related information. Gary Conaway our Treasurer and Khoa Evans our Office Administrator compile the necessary data and complete this report. Treasurer, Clerk (Denise Geyer-Keller) and Sr. Warden (me) sign it. Each year's report contains optional questions. Below are the questions for the 2024 Report and Advent's responses. I do not know who reads these responses and how the information may be used. This is for your information.

1. How is your parish reducing your carbon footprint? **Nothing at this time**
2. What is one program or initiative at your church that you feel best exemplifies your congregation? This short answer helps us recognize the church at work every day. **Strict adherence to the inerrant Word of God as written and revealed in Holy Scriptures.**
3. What is one program or initiative at your church that represents your hope for the future of your congregation and the greater Episcopal Church? This short answer helps us celebrate your accomplishments and goals. **Our congregation has preached, read, and taught the Word of God. Our hope for the future rests in Jesus Christ and His righteousness. The hope of the Episcopal Church can only be the same.**
